

E-Library

KEY BENEFITS

- ❖ Categorization of e-books
- ❖ Adding/Uploading of ebooks
- ❖ Multiple accesses
- ❖ Structured approach
- ❖ Preservation and Conservation
- ❖ No Physical Boundary
- ❖ Simple & Fast
- ❖ Easy to access and Learn

Reading books has been one of the most favorite hobbies of all times. Reading books not only help us increase our knowledge but also increase our competitiveness and confidence. Having understood this fact, our Product E-library has taken an initiative to empower you with knowledge. Knowledge in the form of books can be made available to the employees or students of your company or organization with just at the click of a button. A comprehensive Online Digital Library has been developed and deployed in this regard. eLibrary is a simple yet powerful document organizer.

The online digital library is very simple, fast, and easy to access and learn. Books can be categorized according to your requirement, book name, author, year of publishing and the publication.

Advantages of online E-library

- It saves and/or reduces the physical space taken up by library materials.
- It often adds enhanced searching capabilities in a digital format.
- The library materials are available at the user's desktop, regardless of where the user is physically located.
- It allows for the inclusion of materials available on the Internet or in digital format.
- It provides the user with the capability to download.
- It allows for multiple, concurrent users.
- It eliminates the problem of a book being missing or off the shelf.
